You are correct. Everything should be inflated by 1%.

Mr. Duckworth, the assessments for your non-govt parcels are all the same, \$11,789.80  
I'm assuming you didn't mean for that to happen.

Attached is a Board Report that is almost certain to be approved by the WBIA  
at their meeting tomorrow morning approving a 1% CPI increase for their  
Assessment Roll.

Also attached is the 3-column format Excel spreadsheet you requested with  
that data.

I thought it might assist you if I sent this material in advance of the 9:30 AM  
Board meeting, then telephoned to confirm approval.

Let me know of any questions or as I may assist further in any way.

Thank you.
